

Wayne Public Schools'
Media Specialists Present:

MAKER NIGHT

INVENT ~ DISCOVER ~ TINKER

Friday, March 24, 6:30-8pm

AT

**** Randall Carter School Media Center ****

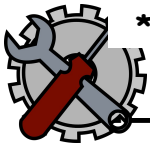

All 4th and 5th graders at each elementary school are welcome to enter a lottery to attend this free Maker Workshop. Twenty-five students will be chosen from each school to come build projects, learn about circuits, and have fun using Science, Technology, Engineering, Art, and Math (S.T.E.A.M.).

An adult needs to be in attendance, and due to limited space, siblings cannot attend. Please submit your permission slip by Wed. March 15th. Each school will conduct their lottery and send home a voucher if you are chosen.

** Randall Carter will host JFK, Ryerson, Lafayette and Randall Carter students

** A.P.Terhune will host Theunis, Pines, Fallon, Packanack and APT students.
